

## **Immaculate Heart of Mary Emergency and Safety Procedures for Faith Formation**

We take the safety of your children very seriously. With that in mind, please make yourself familiar with the procedures listed below.

### **INCLEMENT WEATHER CLOSURES**

In the event of inclement weather, Faith Formation classes will be cancelled if the Baltimore County Snow Emergency Plan is in effect. When we make the decision, it will be posted on the parish website. Also, you can check the snow plan at

### **EVACUATION PLANS**

In the event of an emergency where we need to evacuate the building, we have developed exit routes for each room in the school and other buildings we may be using.
